To Whom It May Concern:

I am writing this letter to give my highest possible recommendation for Bradcal. As the general manager of Asiana Airlines General Purchasing Team, I thoroughly commend Bradcal for their commitment for excellence, high performance, and a quick turnaround time.

Bradcal has been a vital partner in supplying for Asiana's General Purchasing division for the past 22 years. I have observed Bradcal in a number of situations which have allowed me to witness first hand their dedication and willingness to do what it takes to rise above the status quo. Bradcal promotes efficiency, professionalism, and talent. Characteristics which lead me to believe Bradcal is by far one of our most valuable supplier.

It is with very great pleasure and honor to supply this letter of recommendation on behalf of Bradcal. If their performance for the last 22 years is any indication of how they perform in general, Bradcal will be a positive addition to any customer-supplier relations.

Sincerely,

Dong-Soo Park
General Manager
